SUMMARY

This extra large lot with beach rights is located in Cardiff Hall, which is a resort/residential multi phased subdivision in Runaway Bay, St. Ann. This section of Cardiff Hall was developed to meet the demand for living accommodation spawned by the development of Runaway Bay. Cardiff Hall has evolved into a major resort/vacation area along the north coast. Development has entailed elaborate upper middle and upper income type residences used primarily as villas, with an 18 hole golf course located along major roadway. Located in close proximity to Franklyn D. Resorts and Jewel Resorts, the lot is over 0.5 Acres and appears to be rectangular in shape, lies above the road level, and appears to be graded to effect adequate surface water drainage.
